Welcome Letter from Executive Director ***Lynn Tang***

Welcome to the 2013 Universe Multicultural Film Festival (UMFF) at the beautiful Palos Verdes Peninsula. All activities will be in three venues, all within a short walking distance of each other. The three venues are the Promenade on the Peninsula, RHCC Community Center and Peninsula Center Library. The UMFF celebrates cultural diversity, creativity, tolerance and global unity in its exhibition of excellent films and screenplays. We showcase films and scripts that are rich in storytelling, strong in character development, and hold deep roots in diverse culture.

This year, the UMFF will screen 50 films from 15 countries, including USA, Argentina, Bangladesh, China, Cuba, Cyprus, Domingo, Ecuador, Guatemala, Israel, Mexico, Poland, Spain, Peru, and Ukraine. All films are either voiced in English or contain English subtitles. Attendees may choose to view from a wide variety of features, shorts, documentaries, and animations. Attendees may also participate in industry panels, cultural events, engaging film Q&A, and hosted film receptions and Galas.

This year, we have a privileged Chinese film delegation that will attend the 2013 UMFF. The UMFF is proud to present a select group of 16 full length and 2 short films representing Chinese culture. The Chinese film delegation will host " Film Pitch and Catch" and " Produce film in China" panels on Friday and Saturday. We truly respect their willingness to share film resources with others.

On behalf of the entire UMFF committee, we thank you for being a part of our festival and participating in our cultural exchange. We thank the sponsors, supporters, and volunteers who make this event possible. Here, important, new friendships and lasting memories have formed.
